### ANTI - POLLUTION PRECAUTION

Dear sir,

It is your responsibility as master to ensure that no oil or chemical cargo is pumped or spilled overboard from your ship in the vicinity of the port's terminal area. In the event if any spillage or loss from your vessel as the result of any act or omission of the vessel, such as but not limited to pumping of oily water overside from ballast to bilge, or oil / chemical spill, the vessel shall be responsible for all costs and expenses of cleaning and for any damages to property or injury to persons resulting from such spillage or oil loss.

The port Management reserves the right to take all reasonable measures to clean up any resulting pollution or contamination on land or sea, but only as a contractor acting on behalf of your vessel and her owner, and will charge the vessel for all costs and expenses incurred thereby
